TIDES
RESTAURANT

WELCOME • BIENVENUE

The Parkland Village Inn is pleased to have you as our guest.

There is something special about the sea, and no matter whether you have traveled a thousand miles to reach it or have lived beside it all your life, the vast expanse of moving water, the calling of gulls and the tang of seaweed draws us to the salty element.

We truly hope you will relax, enjoy and appreciate this wonderful atmosphere while you savour the exceptional food and beverages we are pleased to serve during your visit.

From this location in the quaint fishing village of Alma, New Brunswick on the fascinating Bay of Fundy, witness the highest tide changes in the world, at times in excess of 52 feet (16 m). Twice daily the tide will recede, leaving the ocean floor accessible to a distance of 2/3 mile (1 km).

ENJOY YOUR STAY!
